In Memoriam

Norman Weden

1918 - 1974

This year the town of Ashland lost a capable and public spirited citizen in the death of Norman Weden.

The Wedens came to Ashland in 1940 and Norman was Express Agent for twenty-seven years. At the time the town acquired a liquor store, he was made manager. Later he became Supervisor of the State Liquor Stores and at the time of his death was Senior Supervisor.

During the years he served the town well in many capacities. He was willing to devote his time and energy to the problems which arose, cooperating with his fellow workers to make the best solution possible.

He was level headed and knew the facts or obtained them if necessary before giving an opinion.

He was first appointed selectman in 1962 to fill a vacancy. He then continued to serve in this elective office for six more years. In this position he was most efficient and at the same time had a good rapport with the office help and town workers.

The same year he was elected to the School Committee. He combined his business knowledge with his interest in education and also kept in mind the tax dollar which made him a fine member of this committee for three years.

For nine years he was a member of the Budget Committee. Many times after a long discussion on a problem Norman would come up with a solution which was beneficial to all concerned.

To quote an old saying, "Service is the rent we pay for the space we occupy," and it can truly be said that Norman paid his rent.

In Memoriam

David G. Ober

1946 - 1974

David was a fine young man, well liked and respected by all who knew him. He graduated from Ashland High School in 1966. In August 1969, he started working for the Town of Ashland as Road Agent, and served in that capacity until his death in June 1974. He was also a Special Police Officer in Ashland for seven years.

"Dave," as he was known by all his many friends, will long be remembered for his friendly nature and cheery smile.

Selectmen's Report

1974

To the Citizens of Ashland:

The Board of Selectmen is please to submit this annual report for the year ending December 31, 1974.

Another very busy year has passed. We feel that it has been a very successful year, and the Selectmen have had exceedingly active meetings, with many visitors present at several of the meetings.

In June, 1974 we lost David Ober, whose untimely death left the Town without a Road Agent. The Selectmen appointed Willis Holland to fill this vacancy for the remainder of the year. Another hard-working citizen of the Town, Norman Weden, Chairman of the Budget Committee, passed away very suddenly in September. Daniel Preece was appointed to fill this vacancy as Chairman, and Thomas Heinz was appointed to the Budget Committee, to complete the slate of members on this committee.

Building permits were issued for some further developments in Ashland; including Apartment Houses on Avery Street, a Condominium development on Leavitt Hill and another development on the North Ashland Road. Also, a permit was issued to L. W. Packard Co., Inc. for expansion of the woolen mill.

Application has been made for HUD funds to update the fire alarm system, and also to help with a new fire station. To date, no approvals have been received for this department. However, the Police Department applied for Federal funds and the approval has been received for this department.

The Parks & Recreation Committee has increased their program, with the new Tennis Courts which are a fine addition to our recreation programs, and an enviable asset to our Town.

We have a new Cumberland Farms Store on Main Street which is a welcome addition to our Town. Also, the former Chum's Market has been expanded and is a fine place to shop. There is also a new Sub & Pizza Shop in the basement of this store and the young people enjoy it very much. Another change is the Common Man Restaurant which has been enlarged during the past year and has become a very popular dining place.

A new truck was purchased this year for the Highway Department and is working out very well.

Part of Thompson Street was resurfaced; also some resurfacing was done on Hicks Hill Road. It is hoped that this resurfacing may be con-

tinued further during 1975. Some work was also done on the MacDonald Road.

The formation of the Ashland Bicentennial Committee is under way, and work is beginning by this Committee for the Bicentennial Celebration next year. Mr. David Ruell is Chairman of this committee, and he will welcome any interested persons to help on this committee.

Once again we take this opportunity to thank all who have co-operated with us during the past year, to help us through another year, in our endeavor to run the Town as economically as possible through such difficult times.

Sincerely yours,
Bernard F. Avery
Edward N. Doggett
Ernest J. Paquette

Record of Annual Town Meeting

March 5, 1974

There were 804 town ballots and 1200 Constitutional Convention ballots received and counted by the ballot clerks and a total of 530 ballots cast.

At 9:00 A.M. the meeting was called to order by Dr. Glenn W. Bricker, Moderator. The motion was made, seconded and so voted that the polls remain open until 6:00 P.M. The motion was made, seconded and so voted to waive the reading of the warrant until 7:00 P.M.

At 7:00 P.M. the meeting was called to order and a motion was made, seconded and so voted to waive the reading of the entire warrant preceding the meeting. A motion was made that the voters give Elmer Marsh a rising vote of thanks for his many years of devoted service to the town. The motion was seconded and so voted and all present responded.

ARTICLE I To choose all necessary Town Officers for the year ensuing. Elected by printed ballot were: Selectman for three years - Ernest J. Paquette; Treasurer for one year - Thomas W. Heinz; Town Clerk for one year - Marion K. Merrill; Budget Committee for three years - Patricia W. Heinz, Daniel P. Preece, Jeanette Lyford Stewart, and Carleton Abear; Library Trustee for three years - Phyllis Small; Town Trustee for three years - Leonard F. Duguay; Fire Wards for one year - Harold P. Baker, Howard J. Guyotte, Albert P. Blake; Tax Collector for one year - Gaylen L. Potter; Utility Commissioner for three years - Lawson W. Glidden, Jr.; Overseer of Public Welfare for one year - Nancy B. Straw; Chief of Police for one year - Guy L. Magoon; Road Agent for one year - David G. Ober.

ARTICLE II To raise such sums of money as may be deemed necessary to defray Town charges for the ensuing year and make appropriations of the same.

A motion was made, seconded and so voted to pass Article II until the rest of the warrant was acted on. Following Article XXVII, it was moved, seconded and so voted to take Article II from the table and to vote on it item by item. All items of the printed budget as recommended by the Budget Committee were approved with the following exceptions: 1. The motion was made, seconded and so voted that the Selectmen be granted a \$100.00 annaul increase in salary in lieu of \$200.00. 2. It was moved, seconded and so voted to increase Election and Registration Expense \$1,000.00 to provide for new voting booths which will meet the new state requirements.

A total budget of \$600,428.63 was appropriated for the ensuing year.

ARTICLE III To see if the Town will vote to raise and appropriate the sum of \$402.20 for Town Road Aid. (State to contribute \$2,681.34) (Recommended by the Budget Committee.)

Moved, seconded and so voted as read.

ARTICLE IV To see if the Town will vote to authorize the Selectmen to sell the old town dump property.

Moved, seconded and so voted.

ARTICLE V To see if the Town will vote to raise and appropriate the

sum of \$1,599. in order that the Town may participate in the Pemi-Baker Home Health Agency. (Recommended by Budget Committee.)

Moved, seconded and so voted without dissent.

ARTICLE VI To see if the Town will vote to raise and appropriate the sum of \$1,087. for the Lakes Region Planning Commission. (Recommended by Budget Committee.)

Moved, seconded and so voted without dissent.

ARTICLE VII To listen to the report of the Ambulance Committee, as recommended by a town vote at the 1973 Town Meeting, and to act upon their recommendations.

Tom Winn reported for the committee which recommended that we stay with the Plymouth Ambulance Service for the present time as their study showed that Plymouth could provide the most reliable service at the least expense.

A motion was made, seconded and so voted that the recommendations of the Committee be adopted.

ARTICLE VIII To see if the Town will vote to raise and appropriate the sum of \$3,541. for the support of the Plymouth Ambulance Service for 1974. (Recommended by Budget Committee.)

Moved as read, seconded and so voted.

ARTICLE IX To see if the Town will vote to raise and appropriate the sum of \$910.52 to eliminate the surface water which now flows onto Washington Street. (Petitioned by ten or more legal voters) (Recommended by Budget Committee.)

Moved, seconded and so voted.

ARTICLE X To see if the Town will vote to raise and appropriate the sum of \$7,500 to reimburse the Ashland Heights Condominium and Dearland Development Corporation for the extension of the sewer line from North Main Street up Hillside Avenue. (Petitioned by ten or more legal voters.) (Without recommendation of Budget Committee.)

Inasmuch as the Moderator explained that Federal Regulations would not permit re-imbursement, a motion was made and seconded to dismiss the article. So voted.

ARTICLE XI To see if the Town will vote to extend the water main on Washington Street from the Methodist Church to the State Barn. Money for this project included in the Water Department budget.

There was a motion to table the item until the budget for the water department was acted on. It was seconded and so voted. The budget for the water department which included funds for this project as presented was approved.

ARTICLE XII To see if the Town will vote to raise and appropriate the sum of \$48,000. for the construction of a town garage to house all town equipment. Money to be raised by notes payable from the town, and to be repaid in six (6) yearly installments. (Without recommendation of Budget Committee.)

There was a motion to table the article to allow discussion. Seconded and so voted. Following the discussion, it was voted to bring the article back to the floor for action and it was defeated.

ARTICLE XIII In the event the above Article 12 is approved, to see if the Town will vote to authorize the Selectmen to sell the old Town Garage for the highest price possible, and to apply such funds to the above notes.

The purchaser to be required to dismantle said building within a reasonable period of time.

Moved and seconded to dismiss. So voted.

ARTICLE XIV To see if the Town will vote to require the Utility Commissioners to amend Article 9 of their new Water Department Regulations adopted on April 15, 1973 to read as follows: "All water passing through a meter will be charged to the customer, at the same rate appropriate for that size meter for all other customers, whether it is used or wasted, unless determined otherwise by the Commissioners." (If this article is adopted it would nullify the discriminatory charges for multiple dwelling customers made under 19-C of the same regulations) (Petitioned by ten or more legal voters)

Following the reading of the article the Moderator declared that the Article had no standing inasmuch as it was the responsibility of the Commissioners to formulate the regulations of the water department. A motion was made and seconded to dismiss the article followed by a discussion. Rev. William Norman presented the arguments in favor of changing the alleged discriminatory charges for multiple dwellings and Mr. Thomas Glidden responded for the Commission. The article was dismissed.

ARTICLE XV To see if the Town will vote to accept the necessary land from Philip and Marion Stevens for the sum of \$1.00 for the re-location of the Leavitt Hill Road beginning at a point above the property of Julia Griffin to a point at the bottom of the steep hill beyond the home of Philip Stevens. This would eliminate the very narrow and steep grades in this portion of the Leavitt Hill Road, in the event of a development on the Hartley property at the summit of the Leavitt Hill Road. (Without recommendations of Budget Committee)

Moved, seconded and following much discussion it was so voted as read.

ARTICLE XVI To see if the Town will vote to raise and appropriate the sum of \$14,845. for the Parks and Playgrounds Program. (Without recommendation of Budget Committee)

Moved, seconded and following a discussion and explanation it was so voted.

ARTICLE XVII To see if the Town will vote to accept the street known as Sandy Road leading from River Street to the Squam Shores Development, up to and including causeway, approximately 800 feet, said road having already been laid out. (Petitioned by ten or more legal voters)

It was moved and seconded to dismiss the article because the road would not meet specifications. So voted.

ARTICLE XVIII To see if the Town will vote to authorize the Selectmen to enter into a contract with a tax mapping firm to provide a property tax map for the Town of Ashland as required by the State of New Hampshire, to be completed prior to January 1, 1980, and to appropriate a sum not to exceed \$15,000. (fifteen thousand dollars), said sum to be raised in three installments; \$5,000. during the current year; \$5,000. in 1975 and the balance of \$5,000. in 1976. (Without recommendation of Budget Committee)

Moved, seconded and so voted.

ARTICLE XIX To see if the Town will vote in favor of the Town of Ashland Subdivision Regulations and to authorize the Planning Board to

approve or disapprove new subdivisions and plats thereof, in accordance with the Subdivision Regulations, and upon the adoption of this article, it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Grafton, notification showing that said Planning Board has been authorized giving date of Authorization as provided in Section 19-29 inclusive, Chapter 36 of the New Hampshire RSA, 1955.

Moved, seconded and so voted.

ARTICLE XX To see if the Town will vote in favor of the following amendment to the town of Ashland Environmental Ordinance:

1. If clay, sod, loam or gravel is removed within 100 feet of any public highway, street or roadway, the area shall be regraded to assure that the premises will be left in a sightly condition and protected against erosion and washouts within 90 days of the finish of operation and-or material removed.

Moved, seconded and so voted without dissent.

2. There shall be a minimum distance of thirty-five feet between the edge of any public highway, street or roadway right-of-way and any building. No building shall be located within fifteen feet of any other boundary of the lot on which it is located. Special exception will be granted for commercial buildings to be located in the central business area, which are in keeping with the character of existing buildings.

Moved, seconded and so voted without dissent.

3. No building shall be constructed with more than three stories not counting any basement below ground level, or with an overall height exceeding forty (40) feet above mean ground level. Height restrictions shall not apply to chimneys, church steeples, silos, antennas, or other necessary features appurtenant to buildings which are usually carried above roofs and are not used for human occupancy.

Moved, seconded and so voted without dissent.

ARTICLE XXI To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated, or take any other action hereon:

Police Department	\$8,349.70
Highway Department	8,349.70
Fire Department	8,349.71

Moved, seconded and so voted.

ARTICLE XXII To see if the Town will vote to authorize the Selectmen to apply for and receive Federal Disaster Assistance Funds through the State Disaster Coordinating Office, and to expend the funds so received to repair the damage to town roads and - or bridges caused by the recent flooding in the latter part of December 1973.

Moved, seconded and so voted.

ARTICLE XXIII To see if the Town will vote to authorize the Selectment to appoint the Highway Agent. (This article will appear on the printed ballot)

Results:	Yes - 104	No - 360
----------	-----------	----------

ARTICLE XXIV To see if the Town will vote to authorize the Selectmen to appoint the Chief of Police. (This article will appear on the printed ballot)

Results: Yes - 75

No - 390

ARTICLE XXV To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

Moved, seconded and so voted.

ARTICLE XXVI To see if the Town will vote to authorize the Selectmen to sell tax acquired property.

Moved, seconded and so voted.

ARTICLE XXVII To transact any other business which may legally come before said meeting.

ARTICLE XXVII - 1 - A letter addressed to Beverly LaBrique from Frederick E. Laplante, Director of Division of Municipal Account was read, and the following motion was made and seconded. "I move to have the summary of findings and recommendations made by the Director of the Division of Municipal Account in the office of the State Tax Commission, dated April 10, 1973, which is printed in the 1973 Ashland Town Report on Page 28, supplemented for the purpose of clarification by having the appended letter of said director dated March 1, 1974 and addressed to Beverly Y. LaBrique printed in the 1974 Town Report, with said letter being appropriately identified as a supplement to the director's April 10, 1973 summary of findings and recommendations." So voted.

2 - A letter from Governor Thomson relative to the proposed oil refinery in New Hampshire was read. The letter requested that the town act on the following question. "Do you favor the construction of an oil refinery in New Hampshire so long as it meets all environmental requirements? A motion was made and seconded favoring the question and discussion followed. A proposed amendment to provide for home rule was rejected by the originator of the motion and action on the question followed.

Results: Yes 115

No 62

3 - It was moved, seconded and so voted that the selectmen be requested to establish a Bicentennial Committee to work toward our Nation's Bicentennial which will be celebrated in 1976.

4 - Ruth Morrison expressed appreciation and thanks to Tom Heinz for his conscientious services as a Member and Chairman of the Budget Committee, followed by a rising vote of thanks.

TOWN WARRANT — 1975

The State of New Hampshire

To the Inhabitants of the Town of Ashland, in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Ashland School Auditorium in said Ashland on Tuesday the fourth day of March next, at nine of the clock in the forenoon, to act upon Article 1 hereof, and you are further notified to meet at the same place on the same day at 7:00 P.M. to act upon the remaining articles in this Warrant.

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To raise such sums of money as may be deemed necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 3. To see if the town will vote to accept the Town budget as submitted by the Budget Committee and pass any vote in relation thereto.

Article 4. To see if the Town will vote to raise and appropriate the sum of \$400.53 for Town Road Aid. (State to contribute \$2,670.21).
(Recommended by Budget Committee)

Article 5. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972, for use as set-offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action thereon.

(Recommended by Budget Committee)

Police Department	\$5,157.33
Fire Department	5,157.34
Highway Department	5,157.33

Article 6. To see if the Town will vote to authorize the Selectmen to apply for and receive Federal Disaster Assistance Funds through the State Disaster Coordinating Office, and to expend the funds so received to repair the damage to town roads and-or bridges caused by flooding.

(Recommended by Budget Committee)

Article 7. To see if the Town will vote to accept and maintain the road from Route 3 to the Plymouth Stitching Plant at such a time as it is constructed to meet town standards.

Article 8. To see if the Town will vote to authorize the selectmen to accept from John Bottomley, for use as town roads, a deed to the Town for the following existing private ways, 50 feet in width, shown as Valley

Lane, Peppercorn Road and Partridge Road, on a subdivision plan entitled "Owl Brook, Ashland, New Hampshire, Phase III - Lots 1-20; property of J. Bottomley, survey by Elwin E. Macomber and John March, dated October 1973; scale 1"=100' "; and also including the paved cul-de-sac at the northerly end of Valley Lane and the paved cul-de-sac at the westerly end of Peppercorn Road. Said Plan of land recorded at the Grafton County Registry of Deeds, pursuant to NH RSA 234:1.

Article 9. To see if the Town will vote to authorize the Selectmen to make pre-application and application for and to accept, on behalf of the Town, any or all grants or gifts including grants from the Community Development Act of 1974 which may be forthcoming from the U. S. Department of Housing and Urban Development, and to expend such funds.

(Recommended by Budget Committee)

Article 10. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 per year to establish a Reserve Fund for future purchases of police cruisers, pursuant to N. H. RSA 35:1.

(Without recommendation of Budget Committee)

(Petitioned by 10 or more legal voters)

Article 11. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the use of the Ashland Bicentennial Committee.

(Without recommendation of Budget Committee)

Article 12. To determine the matter of compensation of the Tax Collector, whether by statutory fees, or by fixed compensation in lieu of statutory fees, or a combination of fixed compensation and a percentage of statutory fees, and, as may be necessary, to determine the amount of fixed compensation or the percentage of statutory fees. Recommended salary of the Tax Collector \$500. per year; recommended salary of the Deputy Tax Collector \$500. per year; all fees to be retained by the town. Pursuant to N. H. RSA 41:33.

(Recommended by Budget Committee)

Article 13. We, the undersigned, requested as of last March that all natural drainage on any property on Washington Street in Ashland, N. H., should be terminated as of this date, December 31, 1974. Nothing has ever been done about the property belonging to Gertrude A. Johnston. We request that this matter be corrected.

(Petitioned by 10 or more legal voters)

(Without recommendation of Budget Committee)

Article 14. To see if the Town will vote to name the Ashland Ball Park - Luther W. Packard Field.

(Petitioned by 10 or more legal voters)

Article 15. To see if the Town will vote to discontinue that portion of the unused road from Frank Lambert's to the Old Holmes farm. Pursuant to N. H. RSA 238:1.

(Recommended by Budget Committee)

Article 16. To see if the Town will vote to raise and appropriate the

sum of \$50.00 to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages, as well as preservation of the natural resources of the town, in cooperation with other towns in the Lakes Region.

(Recommended by Budget Committee)

Article 17. To see if the Town will vote to raise and appropriate the sum of \$175.00 to purchase twenty-four (24) Street Name Signs to be installed by the Highway Department, pursuant to N.H. RSA 251:1.

(Submitted by the Ashland Planning Board)

(Recommended by Budget Committee)

Article 18. To see if the Town will vote to abolish the office of Utility Commissioners. The Selectmen shall assume all duties of the Commissioners at no extra compensation.

(Petitioned by 10 or more legal voters)

Article 19. To see if the Town will vote to return that section of Owl Brook Road running through the Normandin property from Little Squam Bridge to Route No. 3 to a two-way street or to take any other action thereon.

(Petitioned by 10 or more legal voters)

Article 20. To see if the Town will vote to authorize the disposition of Municipal records in accordance with the authority granted under N. H. RSA 33-A:2 and to take any action thereon.

Article 21. To see if the Town will vote to authorize the Selectmen to appoint the Highway Agent, who, under the direction of the Selectmen, shall have charge of the construction of all town highways and bridges, pursuant to N. H. RSA 245:6.

(Recommended by Budget Committee)

Article 22. To see if the Town will vote to authorize the Selectmen to enter into a mutual agreement with the Town of Waterville Valley, to use the Sanitary Landville Dump for a yearly fee to be determined by the Selectmen, pursuant to N. H. RSA 53-A:3

Article 23. To see if the Town agrees to participate in the National Flood Insurance Program by directing the Board of Selectmen to complete the eligibility application and submit the required information to the Federal Insurance Administration.

RESOLUTION A

WHEREAS, certain areas of Ashland are subject to periodic flooding from STREAMS causing damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of this Town Meeting to require the recognition and evaluation of flood and-or mudslide hazards in all official

actions relating to land use in the flood plain areas having special flood (and-or mudslide) hazards.; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to N. H. RSA Chapter 31, 36, 156, 156A.

NOW, THEREFORE, BE IT RESOLVED, that this Town Meeting hereby:

1. Assures the Federal Insurance Administration that it intends to enact and maintain in force for those areas having defined flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth in Section 1910 of the National Flood Insurance Program Regulations; and

2. Vests (the Planning Board and or the Selectmen) with the responsibility, authority, and means to:

(a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain.

(c) Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map and identify flood plain or mudslide areas, and cooperate with neighboring communities with respect to management of adjoining flood plain in order to prevent aggravation of existing hazards.

(d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain management measures.

3. Appoints the Building Inspector to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Intends to take such other official action within its powers as may be reasonably necessary to carry out the objectives of the program.

RESOLUTION B-I

WHEREAS, the Town of Ashland has adopted and is enforcing (A TOWN BUILDING CODE, AND SUBDIVISION REGULATIONS), and

WHEREAS, Section _____ of the aforesaid prohibits any person, firm or corporation from erecting, constructing, enlarging, altering, repairing, improving, moving or demolishing any building or structure without first obtaining a separate building permit for each building or structure from the Building Inspector, and

WHEREAS, the Building Inspector must examine all plans and specifications for the proposed construction when application is made to him for a building permit.

NOW, THEREFORE, BE IT ENACTED BY THE Town Meeting of Ashland, as follows:

1. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to assure that (i) all proposals are consistent with the need to minimize flood damage, (ii) all public utilities and facilities, such as sewer, gas, electrical, and water systems are located, elevated, and constructed to minimize or eliminate flood damage, and (iii) adequate drainage is provided so as to reduce exposure to flood hazards; and

2. The Town Meeting recommends that the Planning Board amend their regulations pertaining to the flood hazard area to require new or replacement water supply systems and-or sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters and require on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding, pursuant to N. H. RSA 36:21.

(Recommended by Budget Committee)

Article 24. To see if the town will vote to adopt the following proposed town ordinances:

A. 1. Parking Regulation. In accordance with RSA 41:11, the Board of Selectmen for the Town of Ashland promulgate the following traffic regulations:

A. Parking on the wrong side of the street. No person shall park or cause to be parked a motor vehicle on any street in the Town of Ashland so that said motor vehicle faces the direction of traffic on the same side of the street on which it is parked.

B. Parking on Thompson Street. No parking shall be permitted at any time on the right hand side of that portion of Thompson Street starting at the monument and continuing up to the northerly entrance of High Street.

C. Main Street two-hour parking. No person shall park or leave standing any vehicle on Main Street, from its junction with Winter Street easterly to the bridge by the town office, for a period of more than two hours between 9 A.M. and 5 P.M.

D. Winter No Parking Ordinance. No parking shall be permitted on any street in Ashland between the hours of 12 midnight and 7 A.M. from November 1st to May 1st so as to interfere with snow removal operation.

E. Exceptions. These regulations shall not apply to fire apparatus, police cars, funeral cars, ambulances, or vehicles, being used by any town department on town business.

F. Penalties. The fine for violation for any of the above regulations will be not greater than \$10.00 with the exception of the winter no-parking ordinance, where the penalty shall be the towing

away of any vehicle in violation and denial of repossession of the vehicle until any towing charges are paid in full.

2. Snow Obstruction and Snow Removal. If any person shall put or place or cause to be put or placed any snow or ice upon the surface of the travelled portion of any Class I or Class III highway or state maintained portion of any Class II highway within the limits of the Town of Ashland for any purpose, except to provide a place necessary for crossing, re-crossing and travelling upon said highways by sleds, logging or farming equipment, he shall be fined not more than \$100.00. The provisions of the section shall not apply where snow or ice is pushed across the travelled surface of said highways for the purpose of snow removal from land adjoining said highways..

3. Operation of Bicycles.

A. It shall be unlawful for any person to operate or cause to be operated a bicycle on any way within the limits of the Town of Ashland unless the same has been registered in accordance with the provisions of this regulation.

B. The chief of police is hereby designated as the person to whom all applications for registration are to be made.

C. The Registration fee for each registration period shall be fixed by the Board of Selectmen at the beginning of the registration period, that fee not to exceed fifty cents for any one period.

D. No bicycle shall be registered unless it shall have permanently cut, impressed or embossed on some portion thereof a factory serial number or identification number or mark.

E. It shall be unlawful for any person to operate a bicycle on any way within the limits of the Town of Ashland during the period from one-half hour after sunset to one-half hour before sunrise unless said operator shall display on his bicycle a light on the front of said bicycle and a tail light or reflector on the rear.

F. No bicycles shall be operated on any sidewalk in the Town of Ashland.

G. All bicycles must be operated in conformance with the rules of the road as they apply to motor vehicles and motorcycles.

H. This ordinance shall also apply to three-wheel bicycles.

I. Any person violating any provision of this ordinance shall be fined not more than \$5.00 for each offense, or revocation of the registration, or both.

4. Drinking in Public. No person shall drink any alcoholic beverage as defined in RSA 175, New Hampshire Revised Statutes Annotated upon any public street, public highway, public sidewalk, municipal parking lot or municipal park within the Town of Ashland. Any person found violating this ordinance shall be fined not more than \$25.00.

5. Curfew.

A. It shall be unlawful for any minor under the age of sixteen years to be upon any public street or in any public place after the

hour of 9:30 P.M. except Friday and Saturday evenings when the hour shall be 11:00 P.M. This regulation will not be effective when the minor is attending school functions or accompanied by a parent, guardian or relative who has attained the age of majority.

B. First violation. In the event of a child's first violation of this ordinance, he shall be taken to his home by the arresting officer, and the parents or guardian shall be notified of the penalty for any subsequent violation.

C. Second violation. Upon any subsequent violation by any child, the said parents or guardian who have permitted the minor to be upon the public streets or in any public place in the Town of Ashland shall be fined not more than \$5.00.

6. Public Sale Regulation. Any person conducting an auction, yard sale, barn sale, or any other type of public sale shall be required to obtain police protection at his own expense for the purpose of controlling traffic unless there is adequate off-street parking. In the event that there is not adequate off-street parking space, a permit must be obtained from the police department at a charge of \$1.00. Failure to comply with this ordinance will render the violator liable for a fine not to exceed \$10.00.

7. Loitering.

A. No person or persons may stand or loiter either singly or in a group near each other on any street, sidewalk, footwalk or area appurtenant thereto within the Town of Ashland so as to obstruct the free passage of passengers thereon or endanger the public safety. Such persons shall move on immediately upon the request of any police officer.

B. No person shall litter any street, sidewalk, or public or private property with any waste paper, cans, bottles or other waste materials.

C. Any person or persons found guilty of violating any of the above provisions shall be fined not more than \$20.00 for each offense.

Article 25. To see if the Town will vote in favor of the following amendments to the Ashland Environmental Ordinance:

1. Authority and Purpose: Pursuant to the authority conferred by Chapter 31 Section 39 N.H. RSA 1955, and for the purpose of promoting the health, safety, and general welfare of the community, the following ordinances are hereby enacted by the voters of the Town of Ashland, New Hampshire, in official town meeting convened.

2. Regulation of Junk Yards. No person, firm or corporation shall keep or maintain within the limits of the town, any junk yard, dump or any offensive matter or animal upon his or its premises, or permit or allow the same to be so kept, used or maintained, so near to any highway, park, street or alley or other public place, or adjoining or abutting any land owned or occupied by another person, firm or corporation so as to be offensive to the use and enjoyment of the public of said highway, park, street or alley or any other public place; or a menace to public health; or so as to

be offensive to the use, occupation and enjoyment of said adjoining or abutting premises by its owners or occupants or in such a manner that the contents of said junk yard, dump, or other offensively used premises are discharged upon any highway, park, street or alley or other public place, or upon the land of any person, firm or corporation.

3. Fire Ruined and Hazardous Buildings.

A. Whenever the fire chief, or any officer of his department, shall find upon an inspection a building or structure that may be, or shall become, dangerous or unsafe, it shall, unless made safe and so certified by the inspector, be taken down and removed.

1. The term dangerous or unsafe buildings shall include buildings structurally unsafe or unstable; inadequately provided with exit facilities; constituting a fire hazard because of inadequate maintenance, dilapidation, obsolescence or abandonment; or otherwise dangerous to life or property.

2. A building or structure declared dangerous or unsafe by duly constituted authority set up by the municipality may be restored to a safe condition provided that such restoration is accomplished within one year from the date of calamity; but no change of use or occupancy shall be compelled by reason of such reconstruction or restoration.

B. When any of the officers of the fire department as mentioned in (A) shall find in any building or upon any premises dangerous or hazardous conditions, he or they shall order such dangerous conditions remedied in such a manner as may be specified by the chief of the fire department.

C. The service of such orders as mentioned in (B) may be made upon the owner, occupant or other person responsible for the conditions, either by delivering a copy of same personally or by delivering the same to and leaving it with the premises, by affixing a copy thereof in a conspicuous place on the door to the entrance of the said premises. Whenever it may be necessary to serve such an order upon the owner of the premises, such order may be served either by delivering to and leaving with the said person a copy of the said order, or if such owner is absent from the jurisdiction of the owner making the order, by mailing such copy to the owners last known post office address.

4. Advertising Signs and Billboards.

A. The placing of advertising signs or billboards, except such as are for the property upon which they are located for sale or rent or advertised as a local business related to the premises upon which they are located, is hereby forbidden.

B. The selectmen may notify any person, firm or corporation whose signs are not in good condition or repair or have been erected after the effective date of this ordinance, and are in violation of the stated provisions. In the event that such sign is not repaired or made to comply within thirty days after such notice is mailed, the selectmen may remove said sign or cause the same to be removed.

C. No signs shall be placed within the limits of any public highway layout or in such a position as to endanger traffic on a street by obscuring a clear view or to create confusion with official street signs or signals.

5. Mobile Homes.

A. A mobile home, for the purposes of this ordinance, shall be defined as a home which is a movable dwelling built on a chassis, having all the following: running water, sanitary facilities, bath facilities, and toilet. Sectional homes, modular homes and prefabricated homes are excepted and do not apply to this ordinance.

B. Mobile Homes in use prior to the enactment of this ordinance shall not be subject to the restrictions herein and may be replaced at the discretion of the owner.

C. No mobile homes shall be placed on a lot of less than 40,000 square feet in area. No other dwelling unit shall be located on the lot. If municipal sewage is available, the lot containing the mobile home shall then be at least 20,000 square feet in area. The lot shall have a minimum width of 100 feet. No part of the mobile home shall be within 35 feet of the edge of the public road or street or within 15 feet of any boundary of the lot on which it is located.

6. Mobile Home Park.

A. No mobile home park shall be constructed on less than 5 acres of land.

B. For each mobile home lot a minimum of 10,000 square feet shall be required.

C. Each mobile home lot will be provided with paved off-street automobile parking space of 300 square feet.

D. A usable area of no less than 1,000 square feet per mobile home lot shall be set aside and maintained for joint use of all the occupants of the mobile home park.

E. Within the minimum 5 acres but in addition to all lots in common areas, a 35 foot buffer strip shall be maintained along all boundaries and public roads. Within this 35 foot space a dense visual screen of suitable shrubs and trees 6 feet or more in height shall be provided. Where existing natural growth provides the required density it may be utilized. The remaining space shall be maintained open with grass, flowers, shrubs, or trees, and such open space shall not be built upon nor paved nor used for parking.

F. All roadways shall be constructed and maintained by the mobile home park owner in conformance with Ashland road standards.

G. No mobile home shall be allowed within the Town of Ashland without first having a permit issued by the Board of Selectmen. The application for a permit shall be made in writing and shall contain the following information:

1. The name of the applicant and the name of the real party in interest or partners if other than the applicant.

2. Proof of land ownership, option to purchase, or valid lease of the premises to be used.

3. A plot plan by an engineer registered in the State of

New Hampshire showing lot size, including lot width, setback, dimension of mobile home and dimension between mobile home and other boundary lines.

7. If clay, sod, loam, sand or gravel is removed within 100 feet of any public highway, street or roadway, the area shall be regraded to assure that the premises will be left in a sightly condition and protected against erosion and washouts within 90 days of the finish of operation and or material removed.

8. There shall be a minimum distance of thirty-five feet between the edge of any public highway, street or roadway right-of-way and any building. No building shall be located within fifteen feet of any other boundary of the lot on which it is located. Special exception will be granted for commercial buildings to be located in the central business area, which are in keeping with the character of existing buildings.

9. No building shall be constructed with more than three stories not counting any basement below ground level, or with an overall height exceeding forty (40) feet above mean ground level. Height restrictions shall not apply to chimneys, church steeples, silos, antennas, or other necessary features appurtenant to buildings which are usually carried above roofs and are not used for human occupancy.

10. For any violation of the ordinances concerning junk yards, fire ruin and hazardous buildings, advertising signs and billboards, mobile homes, and mobile home parks, the Selectmen will be empowered to institute appropriate proceedings to prevent violations. Any person, firm or corporation which violates any of the provisions of the said ordinances shall be subject to a fine of \$10. for each day during which a violation is continued.

11. Saving Clause. The invalidity of any provision of this ordinance shall not affect the validity of any other provision.

12. Effective Date. This ordinance shall be effective upon adoption by a majority vote of any legal town meeting.

Article 26. To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

Article 27. To see if the Town will vote to authorize the Selectmen to sell tax acquired property.

Article 28. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 7th day of February in the year of our Lord nineteen hundred and seventy-five.

EDWARD N. DOGGETT
ERNEST J. PAQUETTE

Selectmen of Ashland, N. H.

Where Your Tax Dollar Goes

Due to the fact the State Tax Commission has not completed our 1974 Audit, we cannot include it in this report.

As soon as the Audit is received from the Tax Commission, it will be available for your inspection at the Town Office.

Division of Municipal Accounting

Department of Revenue Administration

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

June 27, 1974

Board of Selectmen
Ashland
New Hampshire 03217

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts and records of the Town of Ashland for the fiscal years ended December 31, 1972 and December 31, 1973, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent Town records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Gaylen L. Potter - Tax Collector for the period August 29, 1973 to December 31, 1973, Town Clerk, Trustees of Trust Funds, Electric, Sanitary and Water Departments, Library and Scribner Memorial Trust Fund.

The accounts of Richard B. Pytel - Tax Collector for the period March 8, 1972 to August 14, 1973 and Josephine Brown - Tax Collector for the period August 15, 1973 to August 28, 1973, were examined at an earlier date and a report of each of these audits was submitted to the Board of Selectmen on January 17, 1974.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets: (Exhibits 1 and 27)

Comparative Balance Sheets which disclose the financial condition of the General Fund as of December 31, 1971 - 72 and December 31, 1972 - 73, are presented in Exhibits 1 and 27. As indicated therein, the Current Surplus of the Town increased by \$7,565 in 1972 (Exhibit 1) and decreased by \$9,117 in 1973 (Exhibit 27).

Annalysis of Change in Current Financial Condition: (Exhibits 2 and 28)

Statements presenting an analysis of the factors which caused the change in current financial condition of the Town during the fiscal years ended December 31, 1972 and December 31, 1973 are presented in Exhibits 2 and 28 respectively.

The factors which caused the increase of \$7,565 in Current Surplus in 1972 were as follows:

Increases in Current Surplus:

Net Budget Surplus (Exhibit 4)	\$19,962.00
Tax Sale Adjustment	240.00
Increase in Change Fund	75.00
	<hr/>
	\$20,277.00

Decreases in Current Surplus:

Surplus Used to Reduce Tax Rate	\$12,500.00	
Decrease in Current Assets (Net)	212.00	
		<hr/>
		\$12,712.00

Net Increase in Current Surplus **\$ 7,565.00**

The factors which caused the decrease of \$9,117.00 in Current Surplus in 1973 were as follows:

Decreases in Current Surplus:

Surplus Used to Reduce Tax Rate	\$10,000.00	
Decrease in Current Assets	24.00	
		<hr/>
		\$10,024.00

Increase in Current Surplus:

Net Budget Surplus (Exhibit 30)	907.00	
		<hr/>

Net Decrease in Current Surplus **\$ 9,117.00**

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits 3 and 4; 29 and 30)

Comparative Statements of General Fund appropriations and expenditures, estimated and actual revenues for the fiscal years ended December 31, 1972 and December 31, 1973 are presented in Exhibits 3 and 4; and 29 and 30.

As indicated in Exhibit 4, a net unexpended balance of appropriations of \$11,282.00, plus a revenue surplus of \$8,680.00, resulted in a net budget surplus of \$19,962.00 in 1972. As disclosed in Exhibit 30, a revenue surplus of \$11,391.00, less a net overdraft of appropriations of \$10,484.00, resulted in a net budget surplus of \$907.00 in 1973.

Long Term Indebtedness:**Comparative Balance Sheets: (Exhibits 5 and 31)**

Comparative Balance Sheets of the outstanding long term indebtedness of the Town as of December 31, 1972 and December 31, 1973 are shown in Exhibits 5 and 31. There was a net decrease in long term debt of \$5,000.00 1972 and \$47,000.00 in 1973.

Statements of Debt Service Requirements (Exhibits 6 and 32)

Statements showing annual debt service requirements as of December 31, 1972 and December 31, 1973 are contained in Exhibits 6 and 32.

Enterprise Funds:**Electric Department:****Comparative Balance Sheets: (Exhibits 7 and 35)**

Comparative Balance Sheets of the Electric Department as of December 31, 1971 - 72 and December 31, 1972 - 73 are presented in Exhibits 7 and 35. As indicated therein, the Retained Earnings of this Department

increased by \$17,155.00 in 1972 and \$3,747.00 in 1973.

Statements of Revenue and Expense: (Exhibits 8 and 36)

Statements of revenue and expense for the fiscal years ending December 31, 1972 and December 31, 1973 are included in Exhibits 8 and 36 respectively.

Sanitary Department:

Comparative Balance Sheets: (Exhibits 9 and 37)

Comparative Balance Sheets of the Sanitary Department as of December 31, 1971 - 72 and December 31, 1972 - 73 are presented in Exhibits 9 and 37. As indicated therein, the accumulated deficit of the Department increased by \$17,039.00 in 1972 and \$21,286.00 in 1973.

Statements of Revenue and Expense: (Exhibits 10 and 38)

Statements of Revenue and expense for the fiscal years ending December 31, 1972 and December 31, 1973 are included in Exhibits 10 and 38 respectively.

Water Department:

Comparative Balance Sheets: (Exhibits 11 and 39)

Comparative Balance Sheets of the Water Department as of December 31, 1971 - 72 and December 31, 1972 - 73 are presented in Exhibits 11 and 39. As indicated therein, the Retained Earnings of the Department increased by \$5,848.00 in 1972 and \$13,197.00 in 1973.

Statements of Revenue and Expense: (Exhibits 12 and 40)

Statements of revenue and expense for the fiscal years ending December 31, 1972 and December 31, 1973 are included in Exhibits 12 and 40 respectively.

Disaster Relief Act Fund: (Exhibit 33)

A Balance Sheet of the Disaster Relief Act Fund as of December 31, 1973 is contained in Exhibit 33. As indicated therein, the Fund Balance, reflecting the balance of the Federal Grant receivable, was \$9,797.00 as of that date.

Sewer Project Fund: (Exhibit 34)

A Balance Sheet of the Sewer Project Fund as of December 31, 1973 is contained in Exhibit 34.

TREASURER

General Fund:

Classified Statements of Receipts and Expenditures: (Exhibits 13 and 41)

Classified Statements of General Fund receipts and expenditures for the fiscal years ended December 31, 1972 and December 31, 1973, made up

in accordance with the uniform classification of accounts, are included in Exhibits 13 and 41.

Enterprise Funds:

Electric Department: (Exhibits 14 and 42)

Sanitary Department: (Exhibits 15 and 43)

Water Department: (Exhibits 16 and 44)

The above-mentioned Exhibits contain statements of departmental receipts and expenditures for the fiscal years ended December 31, 1972 and December 31, 1973 respectively.

Payroll Fund: (Exhibits 17 and 46)

Statements of the Payroll Fund account for 1972 and 1973 are included in Exhibits 17 and 45.

Sewer Project Fund: (Exhibits 18 and 46)

Statements showing the activity in the Sewer Project Fund account in 1972 and 1973 are contained in Exhibits 18 and 46.

Cash With Fiscal Agent: (Exhibits 19 and 47)

Statements of the Cash With Fiscal Agent's account for 1972 and 1973 are contained in Exhibits 19 and 47.

Disaster Relief Act Fund: (Exhibit 48)

A statement showing the activity in the Disaster Relief Act Fund account during 1973 is contained in Exhibit 48.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Tax Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS AND RECOMMENDATIONS

General Books of Account:

In our 1971 audit report, we were critical of the general condition of the records maintained in that fiscal year and made certain comments and recommendations relative thereto. With the hiring of a qualified bookkeeper in 1972, conditions have improved considerably.

We did, however, experience a degree of difficulty in reconciling the Treasurer's records with the records maintained by the Accounting office. The following deficiencies were noted.

A. The checking accounts were not reconciled on a monthly basis with the statements submitted by the depository banks.

B. Checks presented against insufficient funds in some instances were subsequently redeposited three or four times before being cleared by the bank.

C. Interest earned on savings accounts was not posted on the passbooks or revenue ledger cards at the end of the year.

D. In several instances, receipts were not deposited in the proper department checking accounts.

The accounts maintained by the Treasurer (Exhibits 41 thru 48 - should be reconciled on a monthly basis with the bank statements submitted by the depository banks and the balances confirmed with the Accounting office. Any discrepancies should be corrected immediately. Savings passbooks should be brought up to date from time to time during the year, but particularly at the end of the year and the interest income recorded in the Treasurer's books as well as on departmental revenue ledger cards. Checks returned because of insufficient funds should be brought to the attention of the Town department or official affected on a prompt basis and if redeposited, separate deposits made for such items. Personal checks should not be redeposited more than once. If redeposited checks are returned a second time because of insufficient funds, Town officials should accept only cash, certified cashiers checks or postal money orders from the payees thereof.

Enterprise Funds:

The bookkeeping system for the Enterprise Funds (Electric, Sanitary and Water Departments) does not provide for an accounting over inventories of unused materials, supplies and equipment. This information is necessary in order to protect the Town in event of loss through fire or theft. Furthermore, proper annual charges against departmental revenues cannot be adequately measured without annual physical inventory counts.

Ashland Beach Booster Association:

In our previous audit report, we stated that in our opinion the public funds received by the Beach Booster Association should be remitted to the Treasurer and all recreation bills incurred should be paid by Town checks upon order of the Selectmen. The practice was put into effect in 1972. By mutual agreement between the Selectmen and the Association, the balance of funds on hand as of December 31, 1971, was considered Association funds.

We recommend a separate cash journal, showing the date, source and

amount of money received be used in recording receipts which ultimately are to be remitted to the Town Treasurer.

Unredeemed Taxes:

As of December 31, 1973, unredeemed taxes on account of the levies of 1970 and prior years amounted to \$2,609.00. Inasmuch as the statutory redemption period has expired on these tax liens, the Tax Collector should execute tax deeds to the Town in accordance with the provisions of R.S.A. 80:38.

With respect to tax receipts, any reclassification made in the cash receipts journal after remittances have been to the treasurer, should be brought to the attention of the Accounting office in order that its records may be adjusted accordingly.

Conclusion:

The provisions of Chapter 71-a, Section 21, of the Revised Statutes Annotated require that the Auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in the audit report is optional, at the discretion of the Board of Selectmen.

We extend our thanks to the officials of the Town of Ashland for their assistance during the course of the audit.

Yours very truly,

Frederick E. Laplante

Director

TOWN OF ASHLAND

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Ashland for the fiscal years ended December 31, 1972 and December 31, 1973.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, except for the failure to record departmental inventories as stated in our Summary of Findings and Recommendations, the accompanying balance sheets, statements of sources of revenues and expenditures present fairly the financial condition of the Town of Ashland at December 31, 1972 and December 31, 1973, and the results of its operations for the years then ended on those dates in conformity with generally accepted accounting practices followed by municipalities applied on a basis consistent with that of the preceding year.

Respectfully submitted,

Frederick E. Laplante
Director

March 10, 1974

Mrs. Beverly Y. LaBrique
Ashland, New Hampshire 03217

Dear Beverly :

This is in response to your letter concerning certain comments contained in our 1971 audit report for the Town of Ashland.

I have reviewed the comments about which you expressed concern and find that nothing contained in these comments suggests that the problems which developed subsequent to the resignation of your sister, Mrs. Ash, and yourself were directly or indirectly attributable to you as former employees. I believe that we quite properly expressed the opinion that in order to achieve an orderly transition of duties between one group of employees and another, the element of continuity should exist. In the case of town operations, it is almost impossible to attain this goal unless incoming employees are able to receive in-depth training, which can only be obtained, as you appropriately pointed out in your letter, by an extended exposure to governmental accounting operations. This I submit is not possible to achieve in a week or even a month.

As to the propriety of you resigning under the conditions unilaterally imposed upon you by the Selectmen, that is the acceptance of a thirty dollar week cut in your wages or the submission of a resignation by March 29, 1971, I am of the opinion that you weren't left much of an alternative but to resign (as you did) if you did not agree to accept such a reduction in your salary.

I should point out that the matter of wages paid to town employees is not a proper subject of discussion in audit reports, unless, of course, the Town Meeting has set the specific wages to be paid town employees and the auditors find that the rates paid exceed those approved by the Town.

As to the quality of the services which you have performed on behalf of the Town of Ashland over the years, I can personally attest to the proficiency and efficiency which you have demonstrated in the discharge thereof, as a result of having conducted several annual examinations of the Town's records during your tenure in office. You have served as Secretary to the Board of Selectmen, Town Bookkeeper, uncompleted terms of Treasurer and Tax Collector, in addition to discharging "unofficially" many duties usually delegated to town managers; all of these duties were carried out with a high degree of dedication and distinction. You have always reflected great credit upon yourself personally and upon the Town of Ashland. Frankly, many municipalities in this State would consider themselves extremely fortunate were they able to avail them-

selves of your extensive knowledge in the administration and management of their municipal affairs.

You have my permission to use this letter for the purpose of refutation should any person or persons express an opinion insinuating that the services which you have rendered to the Town have been unsatisfactory or did not meet the highest standards of performance.

With best wishes for success in any new endeavors which you may choose to undertake, I remain -

Very truly yours,

Frederick E. Laplante
Director

Highway Report

1974

The Highway Department has had a busy year. Some of the highlights are as follows:

Mr. David Ober, the elected road agent, died in June 1974, and I assumed the duties in July.

With the assistance of TRA, we finished another stretch of Thompson Street and plan to do more next year. We graveled and graded the Sanborn Road, Sanitary Landfill Road, Owl Brook Road this year and worked the MacDonald Road into passable condition. The oiling of the streets was delayed due to a material shortage.

Some of the culverts were in bad condition and these have been replaced. All bridges in town were painted last summer and some new traffic signs were replaced.

We assisted the Water Department on the approved pipe replacement on River Street done by the Water Department. We then helped grade and resurface this section of the street.

The department cut brush along Highland and Thompson Streets, and plan to do more during 1975.

I appreciate the cooperation I have received both from the Selectmen and the community.

Willis H. Holland
Road Agent

This past year has seen the completion of the first phase to improve electric service and provide for much needed distribution flexibility.

This was accomplished with the full and complete co-operation of the present board of utility commissioners and elected town officials.

Extensive work was done at the sub-station along with the installation of 5,500' feet of aerial spacer cable.

The fuel charge with its widely fluctuating prices is a constant and growing concern. There is no way that the department can absorb this charge. In spite of efforts to conserve energy, the department is growing more rapidly and this past December 1,011,000 KWH was consumed as compared to 891,000 KWH of December of 1973.

We would also like to thank the employees of the Electric Department for their excellent work all year long.

Water Department

This past year the Water Department completed replacing 580 ft. of 8" water line on River Street. plus replacing one hydrant and installing on

new hydrant.

Hydrants were replaced on Thomson Street and Mill Street, and four new services were added this year.

The Department drilled test wells with very good results and we hope to continue this coming year.

Water flow for the year, 1974 - 42,881,833 gallons.

The following are excerpts from Recommendations made by the Water Supply & Pollution Control Commission from Surface Water Supply Policy adopted September 8, 1971.

“To all Water Works Superintendents:

This letter is to advise all those using surface water supplies of the program which will be undertaken in the future. It is hoped that through this program, which will be spelled out in more detail at a later date, all users of public water supplies within the State will be provided with water of completely acceptable quality in all communities and at all times.

Daniel Collins, P. E.
Associate Sanitary Engineer

Chapter 148:22 empowers the Commission “to investigate the sanitary condition and methods pertaining to the source, treatment and distribution of all public water supplies for domestic use and to require the application of any treatment or improvement and methods as it may deem necessary to insure fitness and safety and adequate protection of the public health.” It is the opinion of the staff that due to the increased activity in most supply watersheds and the demand by the public for water of such quality as to meet and exceed minimum standards that treatment beyond disinfection of immediate necessity in a number of surface supplies and of early concern in all surface supplies.

It is, therefore, the recommendation of the staff that the Commission adopt the following policies as they pertain to public surface water supplies:

1. That any new or expanded surface water supply source not be approved until such time as full and complete treatment consisting, in general, of chemical coagulation, sedimentation, filtration and disinfection has been provided.

2. That all existing surface water supplies with chlorination as the only means of treatment be required to provide complete treatment as above or abandon the supply and replace it with a suitable ground water supply.

3. That a system of priorities be established to require the ultimate abandonment of all partially treated surface supplies. Early priority shall be given to those supplies which create the greatest potential danger to the public.

Finally, we would like to say “thanks” to the employees of the Water Department for their excellent work all year long.

During 1974 there were 38 new sewer services. West Main Street and School Street are completed.

The discharge permit for the Plant as required by E. P. A. was obtained.

The flow of sewage through the Treatment Plant was 159,000,000 gallons in 1974. 12,000 lbs. of chlorine was used.

We now have laboratory equipment for testing monthly quality of water of the effluent. The results tell how to control the plant and lagoons so the pollution does not affect the Squam and Pemigewasset Rivers.

We wish to thank all the employees of the Sanitary Department for their usual efficient job.

LIBRARY TRUSTEES' REPORT — 1974

During the winter months of 1974, the former District Nurse's office, which we acquired a few years back, was repainted and several book shelves built into old cupboards. This has now become our "Hobby & Craft" room where all books pertaining to these crafts are kept. We thank the Scribner Trustees for their cooperation in granting our wishes.

Also, during the winter months, the Trustees together with the Librarians conducted weekly workshops for the purpose of discarding obsolete books and improving library service in general.

National Library Week was observed in April. An exhibit of sketches by local artist Stephen Ruel were on display. These were well received.

National Childrens' Book Week was observed in November. The childrens' books have been up-dated considerably this past year.

Respectfully submitted,

Phylliss Small, Chrm.
Lorraine Marsh
Grace Marcroft

Pemi-Baker Home-Health Agency

1974 Report To Member Towns

The Pemi-Baker Home Health Agency, Inc. is a non-profit organization, (Inc. 7-17-67), supported in part by an annual appropriation in the budget of each member town. The Board of Directors is made up of an appointed member from each town; ministerial representative; nurses and a physician. Its purpose is to provide part-time nursing service in the home, under the supervision of a licensed physician. A Medical Advisory Committee determines and approves medical policies for nursing care and interprets the Agency's services to the public.

There is a standard fee covering each visit. Patients are expected to pay this fee if they are able to. However, under certain conditions fees can be adjusted to reflect the financial ability of the patient, by the Agency Nurse.

The scope of care of the Agency ranges from new-borns to the elderly. The Agency is equipped to handle Medicare; Blue Cross-Blue Shield '65', Medicaid and private patients.

The Nurses work on a salary basis and all fees are turned over to the Agency. They are on duty Monday - Friday, from eight to four. There are two full-time RN's; one part-time RN and two Homemaker - Home Health Aides.

The office is staffed by a part-time secretary - bookkeeper. She is available Monday - Friday to answer any calls. The telephone number is 536-2232. For your convenience, when there is no one in the office, the Agency has installed a Codaphone to receive any messages.

Anyone living in one of the eleven member towns may ask for a visit from the Nurse. However, treatment and continuing care can be provided for a patient only under doctor's orders.

Under the supervision of the Agency Nurse, a Homemaker Home Health Aide service is now available through this Agency. This service is a community-wide program designed to place a trained, responsible worker in the home where illness, disability or other problems may threaten normal family living. Please feel free to ask about this additional service.

It has been the Agency's pleasure to serve your community.

Respectfully submitted:

Louise A. Brock
Town Representative

Town Representative

Overseer of Public Welfare

1974 - 1975

This year the food stamps came in and surplus food went out. Some find it to their advantage and others don't.

1. A lot of people on fixed incomes find it hard to pay for the stamps.
2. For others, there is a lot of red tape with receipts to show for a full year on fuel, electric lights, gas, rent or mortgage, sewer and water bills.
3. Some find it hard to make it up to Plymouth for their appointment, and then another trip for the picture.
4. Others don't like to take their check or bank book up, no matter how little they have.
5. A lot of those that have asked and probably would qualify, just won't go.

If there are any questions anyone would like to ask, just call 968-7514.

We hope the employment still stays good around here for 1975. Compared to other parts of the country, we could be a lot worse.

Respectfully submitted,
Mrs. Nancy Straw
Overseer of Public Welfare.

Report of the N.H. Humane Society

Office of the Selectmen
Town of Ashland
Ashland, N.H. 03217

Gentlemen:

Am enclosing a copy of the total number of animals received from all towns and cities using the shelter in 1974. From Ashland we received 93 unwanted or stray dogs and puppies and 75 cats or kittens. Of these your animal control officer left 31 dogs and 1 cat.

I am also enclosing a copy of the budget appropriations requested for 1975. As you can see, more and more towns are using the societies facilities for their animal control. We invite Ashland to use the Community Service by approving your appropriation for this year.

If I can be of any service and provide additional information, please call me at 524-2610

Sincerely,

Fritz T. Sabbow
Executive Director

Ashland Police Department

Introduction :

I wish to express my gratitude to the people of Ashland for entrusting the office of Police Chief to my care with their vote on March 5, 1974. I'm submitting the following report to the people outlining the activities of the police department for the year of 1974.

Report:

Upon assuming the duties of Police Chief my first concern was to set forth as a major goal the importance of community participation in law enforcement.

The response to this challenge was overwhelming; with the donation of emergency blankets, a special paint job on the new cruiser, police participation in the community youth center, the campaign for the Jimmy Fund, a bi-weekly news letter to the people, regular meetings with the Selectmen, department sponsorship of the Cub Scouts, and the funding of a new police calendar by the local businessmen. A joint Ecumenical Chaplaincy was created in the department, employing both Rev. Everett Palmer and Rev. Joseph Rheame. These and many more efforts have helped update police - community relations in Ashland.

Officer Ken Guyotte was appointed to the department in May of last year, to assume the duties of Patrolman, having recently completed extensive training at the New Hampshire Police Training Academy.

Mrs. Jane Dahlberg resigned as Matron and Clerk due to health reasons, leaving these duties in the capable hands of Mrs. Josephine Brown.

The wives and mothers of policemen have formed an organization, The Ladies Police Benefit Association to help the police department in a wide range of activities.

With a large area covered by water in and around our community the department has set up with the instruction of Mr. Thomas F. E. McNamara an Underwater Rescue and Recovery Diving Team.

The police department with the help of the Governor's Commission on Crime and Delinquency, has obtained a grant to fund the purchase of new equipment to update and improve our current operations. The department received \$2,659.05 dollars in Federal Funds while the town's matching share of the funds was \$139.95, making the sum total of \$2,799.00. With these funds the department was able to purchase an assortment of office equipment and criminal investigation equipment.

Honors have been extended to the families of David Ober and Harold Marsh, both recently deceased, who have been with the department for a number of years, serving with distinction.

A special service award was presented to Elmer Marsh upon his

retirement after twenty years of service in the department.

In the coming year I hope to see; better cooperation from the Selectmen, a policy allowing the department to collect revenue for services performed and equipment sold. Also the expansion of present facilities to include a communications center and operations complex is greatly needed to meet the demands of a growing community.

I thank you, the People of Ashland for your cooperation and assistance throughout the past year, and look forward to serving you in the coming year.

Respectfully Submitted
Guv L. Magoon
Chief of Police

Civil Preparedness

Despite continuing efforts to achieve and maintain peace, attack on this country is always a possibility. Nuclear attack - the ultimate disaster - could affect most of the Nation.

It is not enough to have a well prepared organization. Every person needs to be prepared, they must want to know how to do this and give their local organization their support. This doesn't mean just the police or just the firemen. It is every person knowing how to protect themselves in any type of disaster. It is with this in mind that the local organization is in the process of inaugurating education courses for all who wish to take them.

The why, what, when, where, and who of local government's operations in disaster spelled out in the local plan. It will include the disaster effects being planned for - how the emergency demands will be met - with what man-power and material resources - and the other factors which result from hazard.

“If you want a CD Organization you have to help it.”

Ernest B. Holt

Civil Defense Director

Ashland Planning Board

Ashland, N. H.

The Year 1974 for the Ashland Planning Board was, for the most part, a duplicate of the previous year with two meetings held each month on the 2nd and 4th Wednesdays. Most of these meetings were spent in the review of proposed subdivision plats and in open hearings with the developer.

The Planning Board adopted Subdivision Regulations as proposed after the 1974 Town Meeting authorized the Planning Board to approve or disapprove new subdivisions and plats.

The street numbering project carried out by the Planning Board's special committee was completed and the building numbering system was put into effect.

The Ashland Environmental Ordinance as adopted over the past two town meetings has been a helpful tool in regulating building height, mobile home lot size, building set back, etc.; however, it is not adequate to keep up with the community's proposed development and problems. It is strongly advised that the citizens of the community become informed as to the purpose and importance of a local zoning ordinance and support the adoption of such an ordinance that will meet the needs of the town.

It is hoped that during the coming months a citizens group can be assembled that will meet with the Planning Board to study the needs of a local zoning ordinance and to make recommendations to the Board and to the citizenry. If any person is interested in participating in the project, contact a Planning Board member.

The enacted federal law, "The Flood Disaster Protection Act of 1973" has made community participation in the Flood Insurance Program a mandatory requirement for those communities having notification from the Federal Insurance Administration that they are subject to flooding, (this applies to Ashland) in order to be eligible for loans from any federally insured or regulated lending institution or for individuals residing in flood hazard areas to be eligible to secure mortgages or loans from the VHA or FHA.

The first steps in local participation will be the passage by voice vote at the March Town Meeting of Resolutions A and B-1 as printed in the Town Report; also, the passage of the warrant article to see if the Town agrees to participate in the National Flood Insurance Program.

The Planning Board and the Board of Selectmen finds it necessary to update the current Town Building Regulations Ordinance. Ashland is a growing community with a population increase of 12.4 percent from 1,530 in 1970 to 1,720 persons in 1974. Future orderly growth depends on how well we are prepared to handle it. Proper and effective land use controls is essential to guiding the community's growth.

The Tax Mapping program was awarded to Avis Airmap, Inc. located in Brookline, Mass. This program is progressing satisfactorily. Tax maps

provide a community with an up-to-date inventory of its Tax Base. Careful and controlled mapping will have unanticipated benefits to the community.

The Lakes Region Planning Commission has been a real asset to the Town of Ashland and is currently involved in aiding the community in the preparation of pre-application and application to the Federal Government for Community Development funds under the Community Development Act of 1974.

We will continue our efforts for better use of our land and a more orderly developed community. We can not do this without support and your concern. If you will help, contact the Planning Board or Selectmen.

Cordially Submitted,
James H. Rollins
Ashland Planning Board

Report of the President of The Ashland Historical Society

During the calendar year of 1974 sizable amounts of money were spent to renovate, improve and restore the Whipple House Museum and Apartment. The entrance hall was completely restored from ceiling to floors. Period wall paper was chosen for the walls. Now a gracious hall way welcomes all visitors to this historic house.

The apartment was renovated for new tenants. The diningroom, a bedroom, and bath were papered and painted. The bathroom plumbing was re-done to prevent leakage in the lower room ceilings. The only remaining major problem is the high cost of heating. A study should be done to see how to conserve energy at this time. The Ruben Whitten house was moved from its old location at the tennis courts to a temporary site in the back yard of Whipple House. Projects under consideration for 1975 will be landscaping and a foundation for a permanent resting place. Perhaps the bi-centennial project for our society could be related to this historic home.

A most rewarding project for the society was the acceptance by the State of N.H. of a request for a state road marker honoring Dr. Whipple and is to be placed in or around the new park.

Society projects for the community included, this year, the flea market and country fair which were quite successful. Senior Citizens were invited to "A Day to Remember," a tea and coffee reception attended by more than 50 of our older townspeople. We offered a field trip to the Daniel Webster Homestead and the Salisbury Heights Historical Society. We had various speakers with programs open to the public. David Colburn sang and talked about fretted instruments. Milton Graton showed slides of various covered bridges showing interesting and varied construction. Phyllis Kirkpatrick lectured on fashion and clothing, citing, primarily, articles in the museum collection. The Christmas Party rounded out the year. A beautiful concert of bell music was given by the Merry Meeting Bell Ringers of Alton.

I would like to take this space to thank everyone who has donated and loaned items to the museum for display. Without their generosity the coordinating efforts of the society members to present and maintain for the public an interesting display of antiquity would be impossible. Thank you.

A. Murray Kirkpatrick
President, Ashland Historical Society

Report of the Treasurer of The Ashland Historical Society

Fiscal Year — 1974

Receipts:

Rental of ½ of Whipple House	\$ 600.00

Annual Report

Ashland Parks And Recreation Committee

The Ashland recreation program has always been a part of our community life. We can be very proud of it. Due to past efforts of a great many people, the recreation program has been recognized as an official town department. This affiliation carries with it privileges as well as duties. Its duties include building and working within a budget monitored by the town office. But the access to state funds which provide further aid to our budget is a privilege. We hope that growth and success will continue to occur with the cooperation of all who find the project of recreation for our children a worthwhile endeavor.

The largest effort toward better recreation in Ashland was made possible by the L. W. Packard Woolen Mill, which provided the funds to construct the new tennis courts. The courts are ideally located adjacent to the playground and have already become a popular recreation area. We are very grateful to the mill for this large gift, and with state matching funds, we should be able to add lighting and landscaping.

The playground has as its most recent improvements a new backstop and section of fencing near the field entrance. The summer program offered many activities to 108 youths between the ages of six and fifteen. The general every day activities included arts and crafts, street hockey league play, softball, football, various tournaments, elementary games, basketball, soccer and table games. Many special trips were taken throughout the summer. These are listed with number of participants.

Bike Hike to Big Squam Lake	34
Bowling	31
Wellington Beach	26
Tubing-Baker River	33
Mount Morgan - Rattlesnake Mt.	61
Fenway Park	50
Gilford Playhouse	36
Squam Lakes Science Center	30
Flume, Clarks' Trading Post	62
Overnight Camping Trip	31
Plymouth State Fair	25
Rumney Falls	33
Whipple House	33
Irwin Smith Playground Track Meet - Laconia	34

The campground, with new well and pump, hot showers and site

improvements should be prepared for another summer of "full-to-capacity" campers.

The Ashland Town Beach was available to swimmers for a period of ten weeks. One Hundred Eighty season tickets were sold, and many others used the facilities on a daily basis. Swimming and boating instruction was provided for our children. A new raft and lifeguard stand added to the enjoyment and safety at the beach.

We hope that all Ashland residents will continue to use and enjoy the recreation facilities our town offers.

Report of the Ashland Fire Department

The Ashland Fire Department is a call Fire Department consisting of a chief, assistant chief, and 32 men. These men are now equipped with 32 plectron receivers. The town of Ashland has paid for 6, five firemen have purchased their own, and 21 were paid for by the Fireman's Association. The town also bought 2 truck radios with Fireman's Association also buying two.

Firemen, at no expense to the town, tore down the two buildings recently acquired to make space for a future fire station.

Breakdown of Fire Calls

Homes and Businesses	5
Mutual Aid	18
Car Fires	4
Chimney	2
Brush	4
Miscellaneous Calls	1
Fire Investigations	2
False Alarm	2
Smoke Investigation	1
Snowmobile	1
Flooded Oil Burner	1

Respectfully submitted,

**Norman E. Lyford
Fire Chief 1974**

Report of the Forest Fire Warden and District Chief

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A.M. and 5 P.M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

1974 Forest Fire Statistics:

	State	District	Town
No. of Fires	871	44	2
No. of Acres	915	37¼	1¼

Annual School District Meeting

Minutes

March 2, 1974

In accordance with the School District Warrant, legally signed by the Ashland School Board and posted February 13, 1974, the meeting was called to order by the Moderator, at 8:00 p.m. at the Ashland School Auditorium-Gymnasium. The two warrants were ready and the voters' attention was called to a printer's error in the School Budget under Capital Outlay, Equipment, which was listed under the Budget Committee Budget 1974-1975 as \$4,600.00 and should have been \$4,300.00.

ARTICLE I. It was moved, seconded and unanimously voted that the District accept the reports of Agents, Committees, or Officers.

ARTICLE II. It was moved, seconded and so voted after discussion to raise and appropriate the sum of \$1,200.00 to reshingle half of the Gymnasium roof.

At this time, the Moderator introduced Carl Knowlton, Superintendent, William Reinhardt, Jr., Business Administrator, and George Corrette II, Assistant Superintendent.

ARTICLE III. It was moved, seconded and voted with no negative votes to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and-or United States.

ARTICLE IV. It was moved, seconded and so voted to dismiss Article 4.

ARTICLE V. It was moved, seconded and so voted after discussion to have the District accept the provisions of Public Law 89-10 designed to improve education opportunities with particular reference to children of low-income families and to appropriate such funds as may be made available to the District under said federal act for such particular projects as may be determined by the School Board, to make application for such funds and to expend the same for such projects as it may designate.

ARTICLE VI. It was moved and seconded that the district raise and appropriate \$425,384.48 for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the District. After discussion, a motion was made and seconded to table this original article. The motion carried with a majority. A motion was made and seconded to take up the budget item by item and so voted, and the results were as follows:

Administration

Salaries	\$ 1,190.00
Contracted Services	525.00

Other Expenses	1,690.00
Instruction	
Salaries	225,300.00
Textbooks	2,035.00
Library-Audiovisual Materials	2,117.00
Teaching Supplies	9,455.00
Contracted Services	2,894.00
Other Expenses	3,732.00
Attendance Services	125.00
Health Services	8,003.00
Pupil Transportation	8,303.00
Operation of Plant	
Salaries	14,796.00
Supplies	2,720.00
Contracted Services	1,275.00
Heat	16,075.00
Utilities	9,000.00
Maintenance of Plant	6,580.00
Fixed Charges	
Employee Retirement & FICA	18,800.00
Insurance	9,213.00
School Lunch & Special Milk Program	3,000.
Student Body Activities	7,440.00
Capital Outlay	
Sites	650.00
Equipment	4,600.00
Debt Service	
Principal of Debt	26,000.00
Interest on Debt	20,238.00
Outgoing Transfer Accounts in State	
Tuition	2,000.00
Supervisory Union Expenses	11,102.48
	<hr/>
	\$ 418,858.48

A motion was made and seconded to remove the original motion from the table under Article 6. With the consent of the seconder, this original motion was withdrawn. A motion was made, seconded, and so voted that \$418,858.48 be raised and appropriated by the District for the support of schools, for the salaries of School District Officials and Agents, and for the payment of statutory obligations of the district.

An announcement was made by the moderator that he would appreciate volunteers for Ballot Clerks to leave their name with the School Clerk after adjournment.

The meeting was declared by the Moderator closed at 10:35 p.m.

Results of Balloting for Candidates at the Town Meeting, March 5, 1974.

Total Ballots counted and approved for this meeting - 1288. Total Ballots cast 535.

Moderator - Write-In

Glenn W. Bricker, M.D.	173
Helen Knowlton	10

Clerk

Joyce M. Bavis	440
----------------	-----

Treasurer

Thomas W. Heinz	464
-----------------	-----

One School Board Member for Three Years:

Marcelle Abear	164
Richard M. Donnelly	70
Linda Pvtel	77
Patricia Calley Tucker	159

Having plurality, the following officers were declared elected:

Moderator, Glenn W. Bricker, M.D., Clerk, Joyce M. Bavis, Treasurer, Thomas W. Heinz, One School Board Member for three years, Marcelle Abear.

The Ballots were sealed, signed by School Board Members, Clerk, and by the Moderator and Selectmen, as required by law.

The Clerk and Treasurer were sworn in by the Moderator. The Moderator was sworn in by the Town Clerk.

Respectfully submitted,

Joyce M. Bavis,
School Clerk

March 26, 1974

Ashland School District Warrant

State of New Hampshire

To the inhabitants of the School District in the Town of Ashland, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Ashland Gymnasium in said District on Saturday, March 1, 1975, at 8:00 o'clock in the evening to act upon the following subjects:

Notice: School District Officers to be elected at the Town Meeting to be held at the Ashland Gymnasium, beginning at 9:00 a.m. on Tuesday, March 4, 1975, in accordance with the statutory election procedure adopted by the District at its March 1970 Annual Meeting.

ARTICLE 1. To see what action the District will take in relation to the reports of Agents, Committees, or Officers chosen.

ARTICLE 2. To see if the District will vote to raise and appropriate a sum of five thousand dollars (\$5,000.00) to establish a Capital Reserve Fund for the purpose of reconstructing school properties and that the Fund be held in custody by the Town of Ashland Trustees of Trust Funds.

ARTICLE 3. To see if the District will vote to raise and appropriate the sum of six thousand eight hundred seventy dollars (\$6,870.00) as a deficit appropriation to the 1974-75 appropriation and be made available immediately for the purpose of meeting the expenses of the additional grade one class and cost of special education tuition and transportation.

ARTICLE 4. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and-or United States.

ARTICLE 5. To see if the District will vote to accept the provisions of Public Law 89-10, designed to improve educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be made available to the District under said federal act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

ARTICLE 6. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District

Officials and Agents, and for the payment of statutory obligations of the District.

Given under our hands and seals at said Ashland this 11th day of February 1975.

DR. MARY G. BILHEIMER, CHAIRMAN
MARCELLE ABEAR

Due to the fact the State Tax Commission has not completed our Audit, we cannot include it in this report.

As soon as the Audit is received from the Tax Commission, it will be available for your inspection at the Office of the Superintendent of Schools, in Meredith, New Hampshire.

Report of the Superintendent of Schools

To the School Board and Citizens of Ashland:

I hereby submit my second annual report as Superintendent of the Ashland School District.

The Ashland School District is part of the Inter-Lakes Supervisory Union 2. The enlarged Supervisory Union has been in operation since 1972 with the addition of the Newfound Area School District. The Supervisory Union organization serves as a collective way for individual districts to provide administrative services of a Superintendent's Office. It also serves as a liaison between the State Department of Education and the individual school districts. The Supervisory Union serves as a collective approach to the apportionment of expenses of a Supervisory Union that otherwise might not be provided for an individual school district. The budget and apportionment of expenses for the Supervisory Union are printed at the end of this report. Expenses are apportioned among the three districts utilizing a formula involving a percentage of Equalized Valuation and Average Daily Membership for each of the three school districts.

Staff

The following new staff members were added to the faculty of the Ashland Schools when school opened in September 1974:

Mr. G. Theodore Aimo assumed the Principalship of the Ashland Schools on August 15, 1974 replacing Mr. E. Harlan King, Jr. Mr. Aimo attended Nasson College in Springfield, Maine where he received a B.A. Degree in 1963. He attended Northeastern University where he received his Masters Degree in Education in 1970. Mr. Aimo came to Ashland from the Rockland Maine School District where he had been Assistant Principal for the past several years.

Mr. Stuart D. Silverman assumed the position of Guidance Director for the Ashland Schools in September 1974 replacing Mrs. Marion Childs. Mr. Silverman attended George Washington University in Washington, D. C. where he received his B.A. Degree in 1973. He also attended Springfield College where he received his Masters Degree in 1974.

Miss Marjorie Townsend returned to Ashland after teaching for a year in the Plymouth Area School District. Miss Townsend replaces Mr. William Foot as the Music and Band Instructor for the Ashland Schools.

Mrs. Gail P. Wiltse replaced Mrs. Jan Paschal as Home Economics Instructor for the School District. Mrs. Paschal was granted a year's Leave of Absence, and is expected to return in September 1975. Mrs.

Wiltse attended the University of Connecticut where she received her B.S. Degree in 1973.

Mr. Ivan K. Bass replaced Mr. Donald Roy as a Teacher of Social Studies in the Junior High School. Mr. Bass attended Bates College where he received his B. A. Degree in 1971. Mr. Bass came to Ashland from Hattiesburg, Mississippi where he taught for a year.

Miss Gail Jo Abbott was employed as a new Grade 1 Teacher in the Ashland Elementary School. This is a new position created by the pressure of increasing enrollment at that level. Miss Abbott attended Plymouth State College where she received her B.S. Degree in 1973. She came to Ashland from North Stratford, New Hampshire where she taught Grade 1 for the 1973-1974 school year.

Mrs. Dixie Livingston was hired under the auspices of Title I in the Resource Room of the Ashland Elementary School. Mrs. Livingston works as the Resource Teacher. She has attended the University of Connecticut where she received her B. S. in Special Education in 1970 and has also attended Boston University and Northeastern University to further her studies. Mrs. Livingston came to Ashland from Newton, Massachusetts where she has taught since 1972.

Mrs. Susan H. Longley was hired as a Grade 5 Teacher replacing Mr. David LaPierre. Mrs. Longley attended Salve Regina College where she received a B. A. Degree in 1968. She came to Ashland from Middletown, Rhode Island where she has taught the 4th Grade since 1968.

Mrs. Concepcion Spaulding replaced Miss Noreen Crawford as Library Aide in 1973 and continued on into this new school year.

Costs

The Property Tax Assessment for the 1974-75 School Year was \$403,934.72. This is an increase of \$32,248.87 over the 1973-74 Assessment of \$371,685.85. The Building Aid allocation was \$10,763.07.

The Sweepstakes provided \$5,050.47. These monies were used to reduce the 1974 Tax Assessment. The Cost Per Pupil as computed by the State Department of Education for the 1973-74 School Year, excluding transportation and capital outlay, is as follows: Grades 1-6 \$623.97; Grades 7 and 8 \$804.32; and Grades 9 - 12 \$1,076.13. The State Average Costs are as follows: Grades 1 - 6 \$723.00; Grades 7 and 8 \$835.00; Grades 9 - 12 \$925.00

Area Vocational Planning

A year ago I was able to report that Vocational Education came closer to being a reality for the students of the Ashland School District. The proposal voted by the Plymouth Area Vocational Center was turned down by the State Department of Education and therefore was not funded. Plans have continued during the past year for the submission of a new proposal to hopefully get funding to initiate such a program. Board Chairman Dr. Mary G. Bilheimer represents the Ashland School District on the Advisory Committee for the development of the Vocational Center. The Advisory Committee is continuing to work in anticipation of eventual funding by the New Hampshire State Legislature for all Vocational Centers.

Title I Program

The Ashland School District was fortunate to have received sub-

stantial funding through the auspices of the Title I Program of the Federal Government which was used to purchase learning materials and develop the program headed by Mrs. Dixie Livingston.

It is anticipated that Title I funds will continue to be available to the Ashland School District for at least a partial funding of the Resource Room.

Staff Development

The Ashland School Staff has been involved in the Supervisory Union 2 Staff Development Program. This program has assisted staff by providing opportunities for In-Service Training as well as Release Time for preparation of study guides, curriculum materials and a self-evaluation process. The Staff Development Program is one that has been promoted by the New Hampshire State Department of Education to replace the older Teacher Certification Program. Certification of staff will take place via the Staff Development Program with a recommendation of the Superintendent of Schools to the State Department of Education. This allows staff members to be trained for the specific needs of the individual communities in which they are teaching. The Staff Development Program in Supervisory Union 2 is earmarked to begin in September 1975 to comply with the regulations established by the State Department of Education. In September 1975, all staff in the State of New Hampshire must be working under an accepted Recertification Staff Development Program. Supervisory Union 2 has already had its program approved by the combined School Boards of the Supervisory Union. Tentative approval of the State Department of Education has already been given to the Master Plan.

Commitment To Youth

The Staff of the Ashland Schools has recommitted itself to assisting our youth in the learning process. During this past year, significant strides have been made toward improving and up-dating the programs of the School District. This has been assisted through the efforts of the Supervisory Union Release Time Program as well as those efforts of individuals within the Ashland School Staff itself.

As the Staff of the Ashland Schools works to improve educational opportunity it looks forward to the cooperation of not only parents but other members of the community as well. The Staff of the Ashland School District is committed to a cooperative effort seeking the assistance of all segments of the community in working with young people. If members of the community, parents, interested citizens and our youth join in a constructive way, we can effect the best opportunities for the youth in our community. We actively solicit your involvement as we strive for program improvement and a greater contribution to the development of our young people.

Speech Program

The Ashland School District is fortunate to be participating in a Supervisory Union 2 Speech Program. This program features Mrs. Kimberly Farrington, a Speech Therapist, who services on referral youngsters with speech problems. She spends two days a week in the Inter-Lakes School District, two days a week in the Newfound Area School District and one day a week in the Ashland School District. In addition to working with students referred to her, she also assists classroom teachers when possible.

Emergency Employment Act Program

Supervisory Union 2 has actively sought and received funds for the employment of Maintenance Personnel to service the three districts of Ashland, Inter-Lakes and Newfound Area. The Maintenance Program carried on by the two individuals financed by the E.E.A. funds includes spot emergency maintenance as well as planned projects such as the installation of cabinets in the Science Room of Ashland High School. It is the intention of Supervisory Union 2 to look for continuing funding of at least one position under E.E.A. so that additional work may be done at no cost to the School Districts.

Also employed under the E.E.A. Program is a Clerk-Typist in the Supervisory Union Office. She is currently doing the Micro-filming of important records for all three districts which is an important service to the Union as well as the individual districts.

Conclusion

I want to express the appreciation of the Staff of the Ashland Schools for the cooperation of all the officials of the Town including Selectmen, Police, Fire and Highway Departments as well as the Town Librarian. The assistance of Town Officials in many ways of the details involved in the operation of the Schools, has been most commendable and greatly appreciated by all people involved. I would like to take this opportunity to publicly commend the members of the Ashland School Board for their dedication and devotion in carrying out their responsibilities as public servants.

I would like to take this opportunity to urge all citizens of the Town of Ashland not only to cooperate with the School Department, but also to seek ways of assisting outside of the regular school program. Today, many people miss the opportunity to involve themselves in the democratic process which results in the emanating of laws, rules and regulations that directly effect all of our lives. I would urge all interested citizens to become aware of the legislative process, particularly those that involve the public schools of the State of New Hampshire. One of the great concerns of the Ashland School District including staff members through to individual school members, is the increasing burden of tax effort being forced upon local school districts by the imposition of legislation and regulations of the State of New Hampshire. I would urge citizens to become actively involved in pursuing greater financial assistance from the State of New Hampshire to aid the public schools in their ever increasing financial burden for the educational process.

I would like to take this opportunity to compliment the faculty of the Ashland Schools for the high quality of work that is being carried on in the classroom and in all other segments of the educational program offered to our young people. They are to be complimented for their cooperation and devotion to their professional responsibilities. The School Nurse, Lunch Program Personnel, Custodians and Bus Drivers are to be commended for their level of performance that they carry on day-to-day making sure their portion of the overall program functions smoothly and efficiently.

Respectfully submitted,
Carl F. Knowlton
Superintendent of Schools

Principal's Annual Report

The Ashland Schools are in a period of change. Some of the changes are internal to provide utilization of resources. Other changes are external being mandated by the State and Federal Governments.

We are involved in a Staff Development program which will lead to decentralized responsibility for teacher re-certification. Local committees of community representatives, students, and faculty have been working on the establishment of a Supervisory Union No. 2 plan. Local needs are being assessed and will be reflected in future planning.

Accountability programs are being developed by the State Board of Education and will affect all levels of education from classroom to State Department of Education. State Department of Education programs and Supervisory Union programs have been initiated. On the local level, objectives are being developed to reflect Ashland School goals. To simplify: What is it that we must teach? How will we know that we have taught it? What materials and procedures will work best to teach what we wish to teach? How much will it cost?

In the immediate future we will have to comply with Federal Right to Know guidelines and procedural due process decisions. The laws affecting students are rapidly changing and the Ashland Schools have to acknowledge the new status. An effort is being made to balance student rights with student responsibility. Without one, the other cannot exist.

The staff and students are working to provide the best conditions possible with the available resources for education in Ashland.

Respectfully submitted,

G. Theodore Aimo
